Scene 1

Setting: The beach

NARRATOR/HEART: Here is the true story of me, the heart of Taphiti. I was created by Taphiti, the goddess of nature. I got stolen by Maui, the demi-god of wind and sea. This is part of my story. The part you don't know.

(Hai hai and Pua enter the stage, and play in the sand. They find the heart.)

PUA: What is this?

HH: It's food! Yumm.

PUA: No it's not silly, it is a gem. (Pua bumps HH as she says this)

HH: Yeah it is a gem, and we eat it.

(HH tries to eat the gem, but accidentally rolls it with his beak into the ocean)

PUA: OMG .

(HH and PUA see a ship in the distance, the coconut ship. The ship goes close to the beach)

(Coconut steps to the front of the ship and does a cute face)

PUA and HH: AAAh, it is so cute!

(While they are looking, the Coconut switches masks)

(HH and PUA race out to grab the heart, Pua gets there first, scoops up the heart and Pua gets grabbed by the coconut)

PUA: AHHHHHHHHH!

(Coconut pulls PUA off stage)

(HH runs after PUA, then coconut comes back and grabs him)

NARRATOR/HEART: Oh no, this is bad. This is really bad, I'm being stolen and I left my Kentucky Fried chicken wings at home. This is the worst day ever.

(lights go down)

Scene 2

Setting: The coconut ship

(HH, PUA and heart are all in separate chicken cages with labels that are really small)

COCONUT (as kind coconut): I'm not sure we should keep them in a chicken cage?

COCONUT (as evil coconut): We should keep them in there because then they are squeezed tight.

COCONUT (kind): But if they get too squeezed they could die.

COCONUT (evil): Who cares if the pig and chicken die, the heart can't die and that's all we care about.

PUA: That is so mean.

COCONUT (kind): They are so adorable and tiny, why do we have to kill them?

(Coconut walk off stage -arguing with itself as it walks of stage mumbling)

PUA: I am really sad.

HH: You know the thing that cheers you up..

PUA: What?

HH: The song you love.

PUA: Oh yeah.

(Pua pulls a ukulele from behind her back and everyone sings along, whole song production)

(Sung to the tune of Meghan Trainor's Made you Look)

PUA:

I could be trapped in here
I could be filled with lots of fear
But even if you ignore my tears
You'll let us out
HH and HEART: You'll let us out

HH:

And once you hear me scream
You'll never hear the same
Oooh ooh tell me what you what you gonna do, ooh

ALL: Oooh, ooh, ooh

HEART:

When I do my walk, walk
I will make you, make you turn that lock, lock
You can guarantee that we won't talk talk

ALL: Talk, talk, talk

PUA:

You know I love all my friends
But even with the twirls and whirls and bends
We can get through it all
Please let us out

ALL: Let us out

COCONUT:

Yeah, I'm pretty tough, tough
I know my ka-ra-te stuff
But even if you bluff, bluff
Maybe I will let you out

ALL: Out, out, out

ALL:

Yeah you look good in your suit, suit
But we should all be in cahoots, hoots
Cause this cage feels like a zoo, zoo
So let us out

ALL: please let us out

(Everyone is signing along and performing the song)

(Half way through COCONUT starts singing)

HH: What a beautiful voice you have Pua.

PUA: Oh, thank you Hai hai

HH: What can I say except you're welcome (sung like Moana song), I really liked your song.

(Coconut comes on stage)

COCONUT: I liked it too, it really cheered me up. (whispering to herself)

COCONUT (softly to herself): Should I let them out, hmmm, I think I should. Yeah I should.

(Coconut moves to unlock their cages)

ALL: Yay!!

(all the coconuts hear this cheer and come running)

(Everyone runs off stage to a small lifeboat)

SCENE 3

Setting: Lifeboat

(Heart is in a bottle, on the edge of the boat)

(Coconut is peeking through the stage)

HH: I really like how pink your eyes are.

PUA: My eyes are hazel, but that's okay.

(Coconut puts up a heart)

COCONUT: oooooohhhhhhh! How romantic.

(HH and PUA start to kiss, PUA's leg comes up, knocks the bottle that the heart is in off the boat and into the ocean)

HH: I didn't do that this time (hey hey with a smirk on face)

PUA: Who's going to get that?

ALL: Not me.

ALL: Let's get out of here. (Acting like they are going to get in trouble)

(They row the boat off stage)

ALL: Singing Row Your Boat

(Pause)

ALL: The end

(Bowing)

(Speaking to the audience)

HEART: I still don't have my Kentucky Fried Chicken Wings, one of you looks suspicious.
